Rules

- Normal rules of golf shall apply subject to club's local rules.
- To be eligible for the Team and Individual Events, players must be a member of an affiliated golf club in New Zealand and must have an official handicap.
- The winner of the Team Event may count towards the Tournament Trophy.

Two events will be held and each event will be played over two rounds of golf.

Team Event

- Consists of four players per team.
- Best 3 stableford scores will count towards the team total score.
- The winning team shall be the one with the highest combined stablefords over 36 holes.
- In the event of a tie, the scores of the fourth player(s) shall be added to the combined scores of the tied teams.

Individual Event

- Individual stableford over 36 holes from Team members and Individual players
